School Board

In recognition of the untiring work of our School Board this page is dedicated.

For many years the inhabitants of Spencerville and the students of the High School had planned on a new edifice that would be the pride of the community for the present and for the years to come.

Concentrated action on the last drive to pass the bond issue was efficiently managed under the direction of Supt. Tolle with the united efforts of the School Board.

On March 29, the bonds were issued to Herrick and Company, Cleveland, Ohio, who were high premium bidders.

On February 10, bids were let. The contractors were Orr and Miller of Lima; the architects, Peter M. Hulsken and Lyman T. Strong, also of Lima.

During the period of construction and for several months before, the Board held meetings on the average of three times a week while their custom is to hold them once a month.

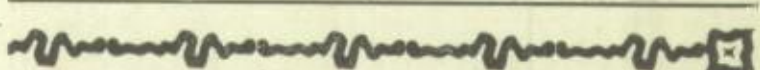

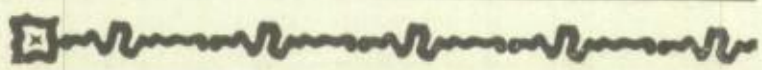

The following is a list of the names and products of the companies to which the Board awarded bids for equipment: Ohio State Reformatory, Mansfield, Ohio—folding chairs and other furniture; Weise Laboratory and Furniture Co., Manitowoc, Wisc.; E. H. Sheldon and Co., Muskegon, Michigan, Laboratory and Domestic Science Equipment.

Tiffin Scenic Studio, Tiffin, Ohio, stage equipment; Dobson-Evans Co., Columbus, Ohio, opera chairs; Collins Furniture Co., Spencerville, Ohio, cafeteria chairs and tables; Pohlman Hardware Co., Spencerville, Ohio, electric stoves and range.

The final rites or dedication was held on February 3. All the School Board was present and also a large percentage of the school. A very interesting program was presented.

Several gifts were given to the school by outside admirers.

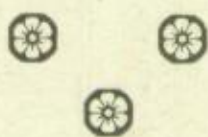

And so, as a fitting close, we the Spencerville High School wish to thank the School Board for their splendid work and untiring efforts in behalf of the community and school.

History of Class of '27

Between September 1923 and May 1927 there has existed in Spencerville High School a class of '27—composed of one of the best groups of students ever found in any school—at least, so we ourselves think. Our class has always been found loyal to the spirit of our High School.

As Freshmen we were not especially different from other Freshmen. We entered with forty-seven boys and girls and quickly learned the customs of our upper classmates. During our Freshman year we had two Superintendents, Ralph Livingston and Mrs. N. H. Stuhl.

With sorrow we record the death of one of our class, Calvin Decker, who was taken from us our first year.

Our Sophomore year was opened with five new students and with the loss of some of our former classmates. This year we had Vernon O. Tolle as our Superintendent. It was during this year that our good characteristics began to really come forward. The class entered into many activities of the school. Our class was well represented in baseball teams, glee clubs, and cheer leaders. Many parties were staged and the class looked forward with pleasure to their Junior year.

The Junior year found us more conscious of our importance in school. More pupils were found taking part in social functions. The Junior-Senior Banquet proved a great success. "Mail Order Brides" was our next marked triumph. Under the supervision of Mr. Bowersock, we presented the play and it was judged a complete success. Mr. Tolle again acted as Superintendent and much was accomplished during this year.

Seniors! The height of our ambitions up to the time we reached it—and then—were we ready? At first we felt horrified and incapable since we were the oldest students in school and much depended on us but in a short time we were ready for work.

This year we were very fortunate in having Mr. Jordan for our Superintendent. He has taken a special interest in our class and helped make it a success.

As underclassmen we had always looked forward to the time when we could wear our class rings and now—our dreams have come true.

This year especially we were proud to have our class so well represented on the Basketball Team that has proved victorious in so many games.

The Class of '27 looked forward with great pride to their graduation since they were to be the first class to graduate in the new High School. We have memories of our old High School that never can be forgotten. But as we have said farewell to our old High School so must we say it to our new High School much too soon.

The last events of the year will never be forgotten by any of us. The Class Play, Baccalaureate, and Commencement are all marked events in our school life that we love.

Can we say that in May, 1927, the class of '27 died? It is true it ceased to exist as organized in Spencerville High School. But its members will always carry with them that spirit of "The Class of '27."

School Song

SPENCER HI.

Faithful and true hearted
Let us boost for our "New High,"
We revere her and defend her,
And her colors proudly fly;
We will stand for her, united,
Of her deeds we gladly tell,
Her colors streaming,
Glad faces beaming,
So here's a cheer for her
That we all love so well.

CHORUS:

Joyous and ever loyal
Let us boost for Spencer High.
Let ev'ry heart sing.
Let every voice ring,
There's no time to grieve or sigh;
It's ever onward,
Our course pursuing,
May defeat ne'er our ardor cool,
But united, we will boost for her
Our New High School.

Honors she has taken
On the track and with the ball,
May she always rank the highest,
May her colors never fall;
There's no other that can match her,
When her team is on the field,
Her boys the fleetest,
Her girls the sweetest,
Then here's a cheer for her,
For her who ne'er will yield.

Junior Class History

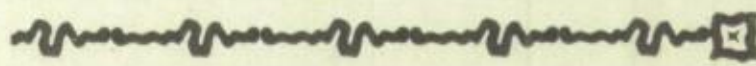

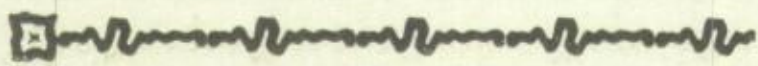

In September, 1924, there entered the old high school building sixty-six pupils as Freshmen who were destined to become some of the school's shining stars. In '24 and '25, the Freshman Class contributed one member to the Varsity Basketball Team, Walt Miller. There were plenty of weiner roasts and a bob sled party to keep up the gay and festive spirit of the class.

When the Freshmen passed on to the Sophomore Class there were only forty-eight members left to carry on the flag of success to the Senior goal, but the class shone even more in athletics. John Koenig, Veryl Cisco and "Hank" Stalters supported the boys' Basketball Team; Edna Roeder, Wilma Steiger, Ada Moorman, and Opal Baker added strength to the girls' team; Homer Stalter, Wellington Burnett, John Koenig, and John Shaffer played Baseball. There were two weiner roasts to add to the fun.

And now the present year! There are thirty-eight members to contribute to our success and add to the hope of a greater and better Senior Class in '27 and '28. Among our triumphs for this year we number the following: Junior Night, which featured the play "Now, Adolph!"; the Junior-Senior Reception. We also are proud of our Basketball stars, Edna Roeder, Wilma Steiger, Opal Baker, "Hank" Stalters, and John Koenig.

Sophomore Class History

One bright September morning in the year of 1925, eighty-six brilliant-looking Freshmen gave their names to Mr. Bowersock as members of Spencer-ville High School.

We are proud of our Freshmen Basketball Team. We won over both our higher and lower classmates, thus receiving a "Silver Loving Cup." This was engraved for us by the Athletic Association. We were also well represented on both the Baseball and Track Team.

Our class took part in the Oratorical Contest, two taking first place and one second.

The Sophomore year rushed in with a "Boom." The Glee Clubs and Orchestra were largely composed of members of our class both last year and this year.

During the first weeks of school our class attended one weiner roast. The Juniors showed their comradeship by inviting us to one held at Fort Amanda. We in turn invited them to one but on account of the unfavorable weather, were unable to fulfill our intentions.

One snowy night last winter our class journeyed in a bob-sled to the Glen Oak farm and enjoyed the evening. Thirty members were present. The chaperons were Miss Kasson, Miss Gall and Miss Rimer.

The Basketball Teams were much stronger this year than they have been for several years. The reason for this is that both teams have two Sophomore stars.

Our class offered the High School Cheer Leaders, Charles Foster, and Merle Haller, both this year and last.

We were very proud of our New High School Building but regretted that we did not have a home room to ourselves. However we have found the Freshmen agreeable companions.

And now our Sophomore days we find to be very short. We have all worked together successfully and are looking forward to a prosperous Junior year.

Freshman Class History

On September 7, 1926, sixty pupils enrolled in high school as Freshmen.

Believing that an early start would lead to success in later years, our boys formed a Basketball Team. The players were: Everett Miller, right forward; Robert Hahn, left forward; Merle Townsend and Ira Hullinger, centers; Eugene Boyer, right guard; Stanley Reed, left guard; J. B. Sunderland, substitute left guard.

Our social events were few. However, we had a bob-sled party at Doris Burtchin's which was greatly enjoyed by the majority of the class. Mr. Bowersock and Miss Gall were the chaperones.

During the year we were well represented in clubs and various activities. Several of our boys were in the School Orchestra, several in Glee Clubs, both boys and girls in Latin Club, and Eugene Boyer in Delphian Orchestra. Next year when some of our timidity wears off we hope to be better represented.

Of course during the whole of the year, we were considered as "green" by the upper classmen, but we feel assured that we have not been the "greenest" of classes which have entered Spncerville High School.

MOTTO—"Success is coming up to the level of our best"

The students of the Junior High met their defeats and triumphs this year with a new faculty in charge—Cleta Swartz, eighth grade, teaching English, Spelling, Penmanship, Geography, Agriculture and Civics; and Mildred Becker, seventh grade, teaching Arithmetic, History, Reading and Hygiene.

Each class organized for class activities. The Eighth Grade elected Herman Anspaugh, president; Richard Neidhardt, vice president; Thelma Wolfe, secretary; and Harry Donhaiser, treasurer. The Seventh Grade elected Jack Detrick, president; Layton Place, vice president; Evelyn Steiger, secretary; and Myrtle Stelzer, treasurer.

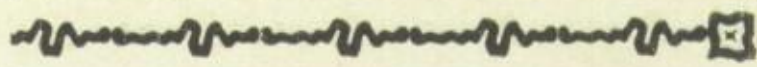

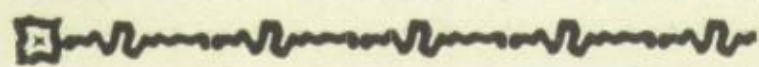

Each class had a get-acquainted party for the new teachers in the early part of the year and the Eighth Grade had their first Class Social at the home of Thelma Wolfe in January.

The Junior High enjoyed the year with Miss Hursh very much. In music the Boys' and Girls' Glee Club help to motivate the work as well as the presentation of "The Childhood of Hiwatha."

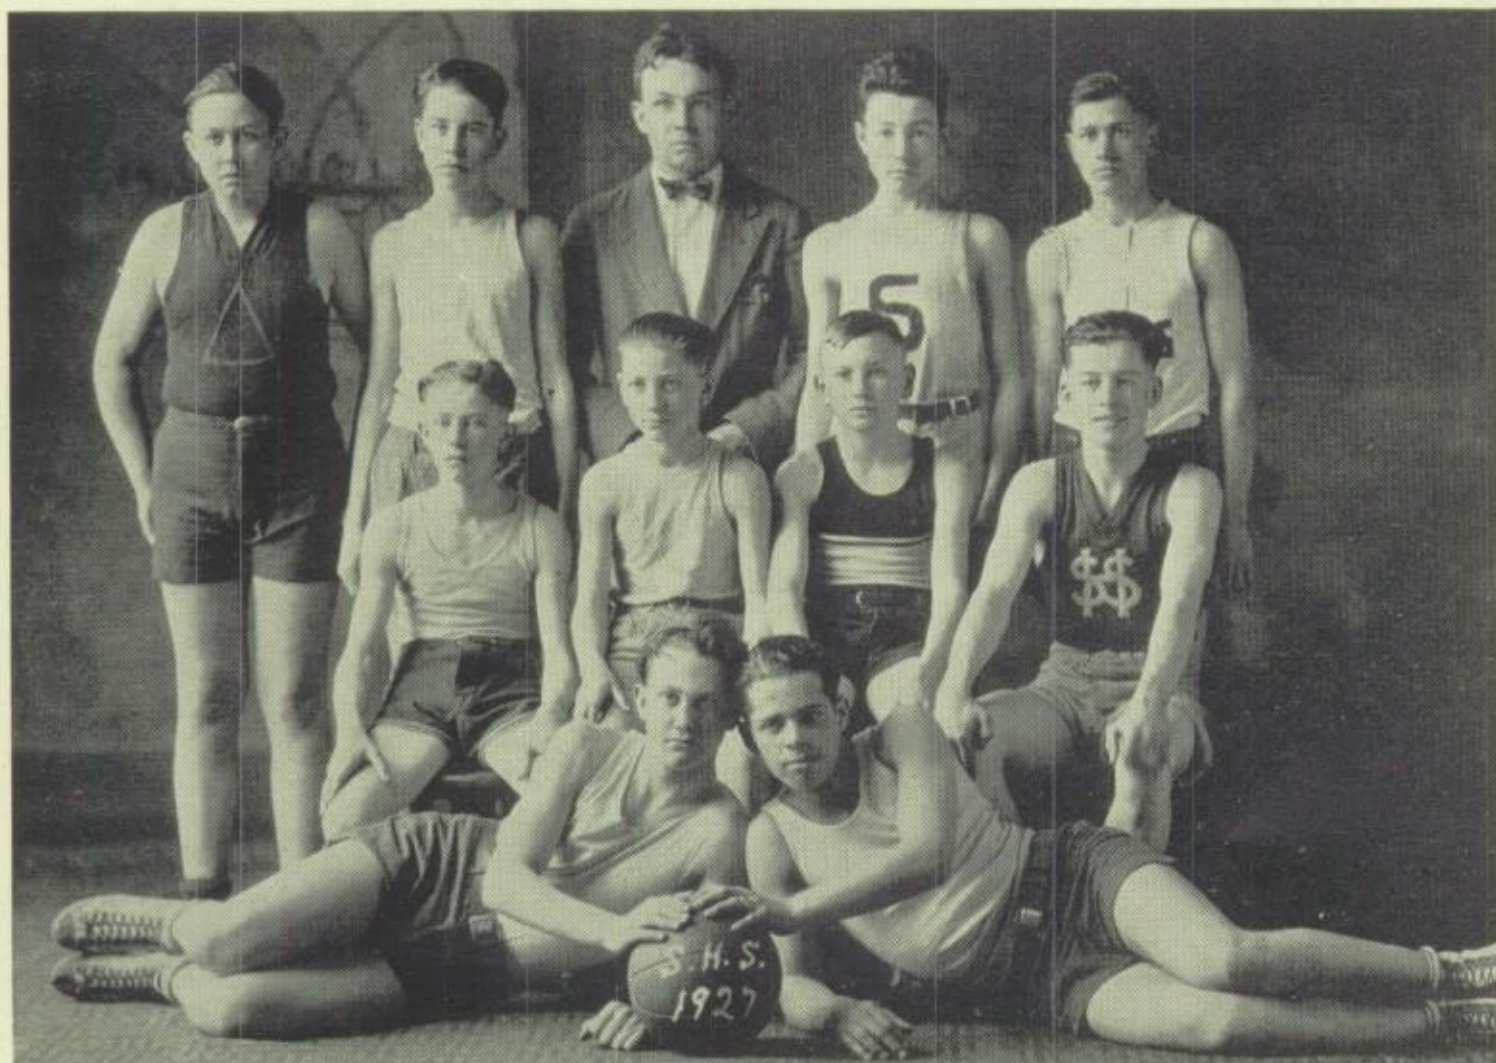

The trays, baskets, vases, lamps, and bread-board sets were also quite interesting and useful projects in Industrial Arts.

The Lincoln and Wilson Literary Societies were organized to give everyone an opportunity to enter into literary activities. Regular monthly programs were given by each society but none of these were public programs because of an unusual number of extra curricular activities of the school in general.

The yearly enrollment in the Junior High was 68.

We started our Basketball season in November, and soon found that we had a fairly good team.

It wasn't long until we attracted the attention of the upper class athletes, by our spirited inter-class contests.

We soon combined our class teams, and played the Freshmen Team on December third. We won by a score of nine and six.

This encouraged us and although we did not, then, have a coach, we rented a hall, set a regular night to practice, and arranged to finance our own organization.

As might be expected we began fighting among ourselves, and acquired some bad playing habits which lost us some games. But when we got our coach, Donald Wright, things began to go differently.

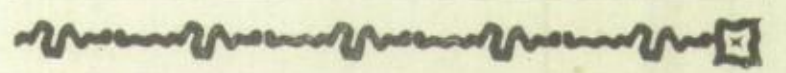

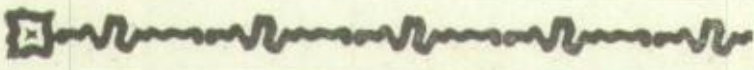

We played our first game with an out-of-town team with Bluffton Junior High, February the eighteenth. We lost but we fought to the last and gained some points that helped us later.

At the end of the season we entered Class B in the Amateur Tournament held at Central High Auditorium in Lima, March 18 and 19. We played St. Paul's Lutheran Church Team and showed them a good fight. Two of our players were taken out in this tournament for being over weight.

We are expecting a winning team for Junior High next year.

Following are games and scores for this year:

Dec. 3 '26	Junior High 9	Freshmen 6
Dec. 17 '26	Junior High 4	Freshmen 5
Jan. 14 '27	Junior High 0	Sophomores 3

A black and white photograph of a group of 19 young people, likely a school group, posed in two rows. The back row consists of 10 men standing, and the front row consists of 9 women seated. They are all dressed in formal attire typical of the early 20th century. The men in the back row are wearing suits and ties, with some wearing glasses. The women in the front row are wearing dresses and blouses, some with hats. The background is a simple, light-colored wall with a door visible in the center.

The play centers around Adolph and August, owners of the Banner Kraut Factory, Scroggs, a crooked banker, and Matthews, a promoter, who plots to break up the partners' business. Scroggs and Matthews are caught by Mary Lawrence, secretary, and Warren Thomas, their sales manager.

The plot is interesting and humorous the entire length of the play.

Athenian Society

The Athenian Society was organized at the beginning of the school semester of 1926 by Superintendent E. Jordan.

The members of this Society are composed of the Sophomore and Senior Class.

Officers of the Athenian Society are: Richard Johnston, president, and Charles Foster, secretary.

Programs are given once a month in the Auditorium. The program consists of interesting facts concerning literature and history. These programs are planned by Dorthea Ramsey, Chairman of Committee, and her assistants, Minnie Johnson and Mabel Townsend.

The Program Committee has done very good work and deserves commendation.

The purpose of this society is to bring higher ideals concerning life into the minds of the members.

Delphian Literary Society

DELPHIAN ORCHESTRA

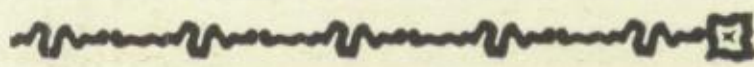

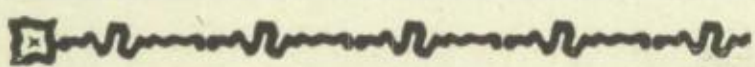

LEFT TO RIGHT: Ruth Anna Swink, Ned Goss, Edna Roeder, Opal Baker, Clayton Haller, and Eugene Boyer.

The Delphian Literary Society was composed of the Juniors and Freshmen. As it was an entirely new organization in the high school, Mr. Jordan had to help a little at first, but it was soon able to manage alone.

The committee which consisted of Ruth Doughty, Mary Sower, Mildred Fritz, Dorothy Witter, Ned Goss and Eugene Boyer, made out the programs which were given once a month, alternating with the Athenians. John Koenig, president of the Junior class, was the chairman at the meetings, and Mary Sower, secretary of the Freshman class, was the recording secretary.

We were the first to have a program in the new building so every one worked to make the first program the best. Every pupil in both classes was given a part during the year and they found it both interesting and helpful. Miss Kasson and Gertrude Doty also favored us with a "Ukelele Duo."

We hope that next year we may make our society a bigger success than ever.

Lyceum

The Senior Class of '27 secured a large assorted Lyceum Program from the Sorensen Entertainment Bureau. Four numbers were presented. The Course proved a success in both entertaining ability and financially.

The first number was presented by the Slout-Kempton Players in "When Mother Goes on a Strike." The cast was made up of the flapper daughter, Uncle Horace, Billy the shiek, Mother the worker, and Father so thoughtless.

The play was a comedy designed to bring joy into life and call to our attention the petty acts of negligence which we all practice every day. The play was not entirely for entertainment, but had a moral lesson to teach.

The second number was given by the Theodore Knox Concert Party. The company was composed of four exceedingly high class artists. The program included a saxophone quartette, vocal solos and duets, readings of merit, and a sketch from an English Opera in costume. The material was new and contained much variety to please every one.

The Kan-Ida Duo, composed of Mary Opal Hagemeyer, Accordionist, of Kansas, and Miss Dorothy M. Kenworthy, Dramatic Reader, of Idaho, gave the third number. The young ladies presented a varied program sparkling with novelty and originality.

Our Lyceum Course was closed with a lecture given by Raymond L. Tolbart.

Boys' Baseball

TOP ROW: Mr. Bowersock, Coach; John Shaffer, Wellington Burnett, Bernard Price, Howard Leis, Clarence Craft, Francis Clay.

BOTTOM ROW: Ora Roberts, Homer Stalter, Robert Miller, John Miller, Walter Craft, Howard Bowersock.

The Baseball season is looked forward to with great eagerness this year. Our boys are more experienced and with a seasoned squad we hope to make a better showing. A meeting has been held and a captain chosen—Robert Miller. Howard Leis and John Miller are getting in good shape as the S. H. S. battery. We hope to wipe out the sting of defeat this year and win the games we play.

The Putnam-Allen Baseball League has been formed and the following teams will participate: Gomer, Columbus Grove, Vaughnsville, Delphos, Elida and Spencerville. The team winning the greatest number of games will receive a loving cup.

The following games were played last season:

S. H. S.	9	Gomer	5
S. H. S.	5	Elida	6
S. H. S.	5	Neptune	7
S. H. S.	3	Neptune	1
S. H. S.	0	Delphos	5
S. H. S.	6	Vaughnsville	8
S. H. S.	6	Gomer	7
S. H. S.	4	Elida	5

Girls' Track

The track team season has not yet opened, but our hopes are high for a successful season.

Last year we were very successful in the track meet at Bluffton where we came out third. O. Baker took first in the high jump; A. Moorman, first in the baseball throw; and Lois Miller took fourth place in the potato race. Ada Moorman, Helen Reed, Mabel Biglow and Lois Miller made up the relay team which took second place.

There was also an interclass track contest in which the Freshmen defeated the Seventh and Eighth Grades by several points. Among the winners were Lois Miller, Jeannette Albright, Mae Davis and Rehta Reed.

Mr. Lord, who has recently joined the faculty, will be the track coach for both boys and girls this year. An intensive track program is planned, but the schedules have not yet been made.

Track 1926

In response to a call for entrance in an open contest for track, S. H. S. had a large turn out. Nearly thirty boys came out for track, and all distinguished themselves in the events.

In the S. H. S. elimination H. Stalter took first in 100 yd. dash and 220 yd. run. J. Miller was second in both of these and took the 440 yd. run. W. Burnett and W. Long won the mile and half mile.

H. Leis and D. Albright both won honors in the vaulting contest.

The broad jump and javelin went to D. Wright. Art Long took the shot and discus events.

H. Carey and H. Stalter won the 220 yd. low hurdles.

BLUFFTON TRACK MEET

May 12, '26—The pick of S. H. S. athletes journeyed to Bluffton to participate in the county track meet in which eight schools were entered. The shot was the first event and Art Long received fifth place. In the vaulting event H. Leis took fifth place. In the javelin D. Wright received second place.

J. Miller took fifth in the 100 yd. dash and H. Stalter took fourth in the 220 yd. run.

H. Stalter, J. Miller, M. Lutz, and H. Carey took fourth in the mile relay.

W. Burnett came through in fine shape taking third in the mile run and, nosed out in the half mile run by just a few feet, he had to be satisfied with second place.

In virtue of their good showing S. H. S. was placed third in the county meet.

Basketball

INTRA MURAL RESULTS

March 7—The Freshman team defeated the Agriculture team by a close score, 15-12. The score at the end of the first half was 7-6 in favor of the Freshies. The high point man for the Agriculture team was H. Bowersock, and E. Miller for the Freshman five.

March 8—Juniors beat the Sophomores by a score of 5-4.

March 9—Juniors defeated the Freshmen. The score was 10-5.

Business Management

The Spencerville High School heartily thank Mr. Bowersock for his splendid work in the Business Management of the High School Athletic Association for 1926 and 1927. Mr. Bowersock though greatly handicapped financially, managed these exigencies in a very efficient manner.

At the beginning of the school year a baseball team was organized and only a small balance was left in the treasury as much new equipment was purchased.

The expenses to organize a Basketball team run very high. The largest expense account is transportation with equipment a close second.

For the past several years the Spencerville Athletic Association has held an invitational tournament, which usually netted nearly four hundred dollars. This year we were handicapped as the State Athletic Association would not grant us the right to have it.

We have tried several times, to organize a football team but it has been unsuccessful. Probably next year arrangements can be made accordingly.

We, the Senior Class, wish to express our last Farewell to our underclassmates. We are quite proud of the fact that we are the first class to graduate from our New High School. We have tried to do the very best we can and hope that the under-classmen will carry out our plans. With such facilities as they will have for next year, they should be able to accomplish more than former students.

REMINISCENCE

*Memory brightens o'er the past,
As when the sun concealed
Behind some cloud that near us hangs,
Shines on a distant field.*

—LONGFELLOW

Perhaps it is well that human nature deplors the present and glorifies the past. In idle moments it is comforting to permit the mind to shine back on distant fields of pleasant experiences.

Thus, this memory book will serve you and prove the source of real future pleasure. For Stafford combines these elements with the artistry, the quality and the workmanship which entitle it to bear the phrase . . .

IN BABYLON---

The "Street Crier" was in his element in historic Babylon three thousand years ago. Written matter was of no avail on the illiterate masses; wherefore traders "hawked" their wares unto a purchasing public.

What a contrast to our American civilization! Our widely scattered millions now read the ancient crier's evolutionized message at approximately the same moment. The advancement in our public educational system has made it possible to harness this tremendous force now known as Advertising.

We pride ourselves that our mental equipment enables us to patronize advertisers and by so doing we contribute to the economic greatness of America.

Teacher in Physiology—"Explain the body."

Pupil—"The body is made up of head, chest and abdomen. In the head the brains, if any, in the chest the heart and lungs, and in the abdomen the stomach, liver and vowels a-e-i-o-u and sometimes w and y."

Prof. — "When were you born?"

Freshie—"Second of April."

Prof.—"Late again."

Junior — "Wheeler's awfully absent-minded, isn't he?"

Second Junior—"Why?"

Junior—"Why the other night he was driving his parents over a lonely road and when they came to a particular lonely spot, before he knew it, he had parked the car."

Mrs. Goss—"Fighting again! I thought I told you to count to one hundred before you fought."

Ned—"You did, but the other kid's mother told him to count to fifty."

Miss Kasson—"John, make a sentence using the phrase, 'Embracing the opportunity'."

John Koenig — "Mr. Lord thought Miss Rimer was the opportunity and he embraced her."

Mr. Jordan—"What is mutton?"

Silence from the class.

Mr. Jordan—"Nobody knows what mutton is? I will tell you. Mutton is a vegetable that grows in Hawaii."

Ned Goss—"You look like a sensible girl. Let's get married."

Ruth Sunderland—"Nothing doing, I'm as sensible as I look."

Mrs. Jordan—"Dear, why do they always say 'she' when talking about a train or a boat."

Mr. Jordan—"Because it takes a man to run them."

Don't kill your wife. Let electricity do the dirty work.

Little Girl (watching orchestra leader and soprano do their stuff at an Opera) Mamma, what's that man beating that lady for?

Mother: Hush, child, he's not beating her.

Girl: Then what's she screaming about?

Bill: I think I'll drive my Ford to school tomorrow.

John: Aw, you haven't got one.

Bill: Well, can't a fellow think once in a while.

"How big is a battle ship?"

Boss: Did you collect on that bill?

Collector: No, sir, he kicked me downstairs.

Boss: Go back again! I'll show him he can't scare me.

Mother: Did you have a nice time at the party?

Son: Yep, I had two pieces of cake.

Mother: I told you not to ask for two pieces.

Son: I didn't. They gave me the first one without asking.

"This ends my tale," said the monkey as he backed into the lawnmower.

School Marms have substituted the lipstick for the hickory stick.

Teacher: Is the meaning of "sight" and of "vision" the same?

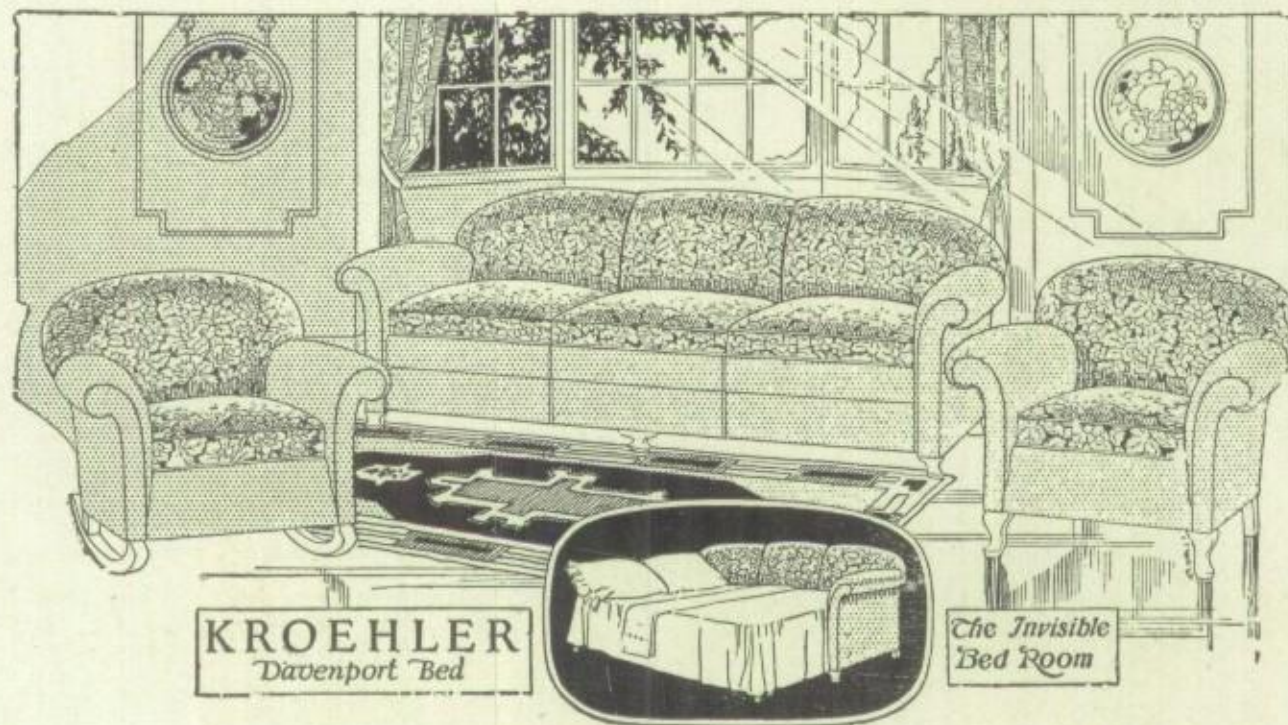

Bright Boy: Yes, except when used to describe a girl.

He: You dance wonderfully.

She: Yes, I love to.

He: Do you? Then let's love.

She: Sure, anytime.
